SUBJECT: Revised CA 371 (8/91), Referral to District Attorney

The revised CA 371 (7/91) attached to All County Letter No. 91-93 requests information which is not required. In the section entitled "Information from District Attorney to CWD", the box that reads "Medi-Cal Only support case was closed based upon beneficiary's request" should never be checked. This information will be deleted when the CA 371 (7/91) comes up for reprint. Attached is the CA 371 (7/91) with the box blacked out.
